You scratch my back, I'll scratch yours.

Share the love. A little love goes a long way with a cat. We hope to find new homes for 500 cats during this feline celebration. For the next few months when you adopt two cats, we will waive the adoption fee for the second cat. Come in and find two purr-fect companions or bring a friend, split the adoption fee and make two happy homes. To find out more, visit www.anticruelty.org

All adoption requirements apply. This offer expires September 30, 2009.
